A GUIDE FOR USING ISLAND OF THE BLUE DOLPHINS IN THE CLASSROOM

BASED ON THE NOVEL WRITTEN BY SCOTT O'DELL

Teacher Created Resources **Offers a literature unit based on the popular story of a young Native American girl who spends eighteen years alone on a beautiful but isolated island off the coast of California.**

ISLAND OF THE BLUE DOLPHINS

THE COMPLETE READER'S EDITION

Univ of California Press This is the first authoritative edition of one of the most significant children's books of the twentieth century. Winner of the 1961 Newbery Medal, *Island of the Blue Dolphins* tells the story of a girl left alone for eighteen years in the aftermath of violent encounters with Europeans on her home island off the coast of Southern California. This special edition includes two excised chapters, published here for the first time, as well as a critical introduction and essays that offer new background on the archaeological, legal, and colonial histories of Native peoples in California. Sara L. Schwebel explores the composition history and editorial decisions made by author Scott O'Dell that ensured the success of *Island of the Blue Dolphins* at a time when second-wave feminism, the civil rights movement, and multicultural education increasingly influenced which books were taught. This edition also considers how readers might approach the book today, when new archaeological evidence is emerging about the Lone Woman of San Nicolas Island, on whom O'Dell's story is based, and Native peoples are engaged in the reclamation of indigenous histories and ongoing struggles for political sovereignty.

LITERATURE CIRCLE GUIDE ISLAND OF THE BLUE DOLPHINS

GRADES 4-8

BOOKCAPS STUDY GUIDE

BookCaps Study Guides The perfect companion to Scott O'Dell's "Island of the Blue Dolphins," this study guide contains a chapter by chapter analysis of the book, a summary of the plot, and a guide to major characters and themes. BookCap Study Guides do not contain text from the actual book, and are not meant to be purchased as alternatives to reading the book. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.

THE ROAD TO DAMIETTA

Houghton Mifflin Harcourt The Newbury Award-winning author delivers "what may be his finest novel" in this young adult narrative of Saint Francis of Assisi and the Fifth Crusade (Publishers Weekly). Rich in the atmosphere of thirteenth-century Italy, *The Road to Damietta* offers a fascinating new perspective on the man who became Saint Francis of Assisi: the guileless, joyous man who praised the oneness of nature and sought to bring the world into harmony. Thirteen-year-old Ricca di Montanaro, who secretly loves the young Francis, watches in awe as he disavows his rich father and declares himself a servant of Christ. Following him on his journey, Ricca recounts Francis's attempt to bring peace amidst the bloodshed of the Fifth Crusade. "Lord, make me an instrument of Thy peace," he said. "Where there is hatred, let me sow love, where there is injury, pardon; where there is doubt, faith; where there is darkness, light; where there is sadness, joy." And so he set off on the road to Damietta...

ISLAND OF THE BLUE DOLPHINS (ENHANCED EBOOK)

Lorenz Educational Press *Exploring Literature* is a complete teaching unit designed to give you everything needed to help students understand and appreciate fine literature. This exciting approach includes classroom-tested activities sure to save you hours of valuable preparation time.

A READER'S GUIDE TO ISLAND OF THE BLUE DOLPHINS

TestSoup Our Reader's Guide to Island of the Blue Dolphins is a book guide that is designed to support students as they read novels independently. It helps to guide them through each chapter and allows them to check their understanding of what is happening in the book as they read, not just at the very end of the book. Our Reader's Guides include: -A explanation of each section of the book guide that provides suggestions about how best to use each section to boost comprehension. -An explanation of the genre of the book. -Various background materials that will help to provide a better understanding of the context of the story. -A summary of the entire book so you have a good idea of the major events that take place in the story. -An in-depth look at the themes that will be developed throughout the book. -"Big Idea" Questions that are designed to give you a sense of the overarching questions you should be able to answer after finishing the book. -A guide to the chapter sections so you know how best to use them as you read this book. Each chapter guide includes: -Important vocabulary you should know before reading the chapter. -A summary of the chapter so that you can make sure you remember all of the important events from that chapter. -Text-Based Questions with example responses: These questions are basic recall questions. Each question comes with a sample answer so you have a good idea of what a good answer would be. -Critical Thinking Questions with example responses: These questions push you to think about the events of the chapter in a more challenging way. Each question comes with a sample answer so you have a good idea of what a good answer would be. -Theme Based Questions with example responses: These questions are designed to help you connect the events of the chapter to the development of the themes throughout the story. Each question comes with a sample answer so you have a good idea of what a good answer would be. -Making Connections Questions: These questions challenge you to make connections between the events of the story and things that may have happened to them in their own lives. Everyone's experiences are unique, so there are no sample answers here.

THE WORDS IN MY HANDS

Annick Press Part coming of age, part call to action, this fast-paced #ownvoices novel about a Deaf teenager is a unique and inspiring exploration of what it means to belong. Smart, artistic, and independent, sixteen year old Piper is tired of trying to conform. Her mom wants her to be "normal," to pass as hearing, to get a good job. But in a time of food scarcity, environmental collapse, and political corruption, Piper has other things on her mind—like survival. Piper has

always been told that she needs to compensate for her Deafness in a world made for those who can hear. But when she meets Marley, a new world opens up—one where Deafness is something to celebrate, and where resilience means taking action, building a community, and believing in something better. Published to rave reviews as *Future Girl* in Australia (Allen & Unwin, Sept. 2020), this empowering, unforgettable story is told through a visual extravaganza of text, paint, collage, and drawings. Set in an ominously prescient near future, *The Words in My Hands* is very much a novel for our turbulent times.

Activities to be used in the classroom to accompany the reading of *Island of the blue dolphins* by Scott O'Dell.

ISLAND OF THE BLUE DOLPHINS - LITERATURE KIT GR. 5-6

Classroom Complete Press In this State Standards-aligned Literature Kit™, we divide the novel by chapters or sections and feature reading comprehension and vocabulary questions. In every chapter, we include *Before You Read* and *After You Read* questions. The *Before You Read* activities prepare students for reading by setting a purpose for reading. They stimulate background knowledge and experience, and guide students to make connections between what they

know and what they will learn. The After You Read activities check students' comprehension and extend their learning. Students are asked to give thoughtful consideration of the text through creative and evaluative short-answer questions and journal prompts. Also included are writing tasks, graphic organizers, comprehension quiz, test prep, word search, and crossword to further develop students' critical thinking and writing skills, and analysis of the text. **About the Novel:** The classic, *Island of the Blue Dolphins* is based on the true story of a woman marooned on San Nicholas Island during the early 1800s. Karana, her family and her people are living on the island when the Aleuts (Russians) arrive to hunt the sea otters. The Aleuts kill the natives leaving Karana and her brother Ramo stranded on the island. Soon after wild dogs kill Ramo, and Karana is left to struggle on her own. For eighteen years she lives to survive the weather, the animals, the Aleuts and the loneliness. This story is about a strong and courageous woman who proved that with determination, nothing is insurmountable. All of our content is aligned to your State Standards and are written to Bloom's Taxonomy.

CALL IT COURAGE

Simon and Schuster A legend of a Polynesian boy, who, called a coward for being afraid of the sea, sets out to overcome his fears

ISLAND OF THE BLUE DOLPHINS (NOVEL STUDY)

Rainbow Horizons Publishing *Island of the Blue Dolphins* is the true story of a young girl's survival alone on a secluded island. Karana makes a choice between leaving with her village people on a rescue ship or swimming back to her island home to save her younger brother, Ramo. There, Karana battles harsh environments and hostile wildlife. Her isolation from humans teaches her how to co-exist peacefully with the wildlife on the island and the sea. For nearly eighteen years, Karana learns how to hunt, cook and clothe herself while surviving the harsh winters on the island. Finally, Karana is discovered by travelling missionaries and is taken off the island. This Novel Study provides a teacher and student section with a variety of activities, discussion questions and answer key to create a well-rounded lesson plan.

QUICKLET ON SCOTT O'DELL'S ISLAND OF THE BLUE DOLPHINS (CLIFFNOTES-LIKE SUMMARY AND ANALYSIS)

Hyperink Inc **ABOUT THE BOOK** *Island of the Blue Dolphins* is the 1961 Newbery award-winning book by Scott O'Dell that tells the true story, with some literary license, of a young Indian girl named Karana who was left behind on San Nicolas Island off the California coast, along with her younger brother, after the remnants of their tribe are relocated on the mainland. The book is recommended reading for fourth graders in the California public school system due to its historical and cultural significance, as well as the fact that California fourth-graders, under state standards, are required to learn about the 21 Spanish Missions along the El Camino Real (The Royal Road) and their influence on the indigenous native-Americans during the 1800s. Karana, also known as "The lone woman of San Nicolas Island," is buried in an unmarked grave on the grounds of the Santa Barbara Mission where there is a plaque commemorating her. Students are encouraged to map out San Nicolas Island and research the various bird and marine life that Karana utilized to survive from 1835 to 1853. Kids are invariably drawn to stories of self-sufficiency, without meddling parents and bedtimes. One need only look as far as the Baudelaire orphans in Lemony Snicket's *A Series of Unfortunate Events*, or the survivalist skills in action of solitary Sam Gibley in *My Side of the Mountain*, to see kids' fascination with life without parental involvement. However, O'Dell's story draws a stark contrast to the plucky young heroes of absurdist literature or can-do fictional accounts, with its fact-based narrative of a life-and-death situation that played

out for almost two decades. However, despite the female protagonist's strength, determination, and knowledge of Indian survival lore passed down over generations, the tragedy of the real-life character's story goes unnoted by O'Dell and is indeed ironic. Within seven weeks of her rescue from the island and her arrival onto the mainland, "the lone woman of San Nicolas Island," baptized "Juana Maria" by the Spanish missionaries, most likely succumbed to dysentery, a disease contracted through exposure to her numerous visitors and well-wishers. This is similar to the fate of Pocahontas, who likely contracted smallpox or tuberculosis after arriving in England from her native land of Virginia within a year. O'Dell chose not to include the material concerning the girl's tragic end in his original editor's note, only commenting that, "The facts about her are few," and comparing her to Robinson Crusoe. Indeed, the author's purpose for writing the book was his boyhood interest in exploring Deadman's Island off the Southern California coast around San Pedro. However, unlike Deadman's Island, which was removed by dredging to improve the harbor at San Pedro, San Nicolas Island still remains and became a base of operations for missile testing systems from the 1970s up to the current day. EXCERPT FROM THE BOOK Scott O'Dell was born Odell Gabriel Scott to May Elizabeth Gabriel and Bennett Mason Scott on May 23, 1898 in Los Angeles, California. Due to a clerical error in one of his earlier written articles, the author was mistakenly referred to as "Scott O'Dell," which he liked so much that he changed his name. O'Dell's earliest recollections of Los Angeles was of "a frontier town" where "there were more jackrabbits than people," most notable for its orange orchards and the port area. His father's job with the railroad prompted the family, including younger sister Lucile, born in 1907, to move frequently around Southern California, including Claremont, populated by the descendants of Spanish settlers, and Julian... ..buy the book to read more!

SHROUDED HERITAGE

ISLAND OF THE BLUE DOLPHINS

Independently Published **Shrouded Heritage: Island of the Blue Dolphins** describes the quest of a father and daughter to

reveal the true events that inspired Scott O'Dell's most beloved novel, and detail the life and legacy of the real woman who inspired the character O'Dell named Karana. This remarkable saga weaves together a captivating narrative derived from dozens of historic documents, as well as from accounts of Indigenous People who passionately assert their ancestral bond to the actual island that O'Dell fictionalized in his literary masterpiece. During this saga, bitter conflicts arise as suppressed evidence is revealed by the author that challenges academics who then must fight to retain thousands of human remains taken from the real Island of the Blue Dolphins. Their opponents are Indigenous Peoples who wish to rebury their ancestors on that island in order to return their souls to heaven among the Milky Way.
